FROM THE PASTOR

Dear Parishioners,

This weekend is a double celebration: we celebrate the Feast of Pentecost and the outpouring of the Holy Spirit who fills our hearts with zeal and courage--and we joyfully celebrate our return to the public celebration of Mass here at St. Andrew. How good it is to be able to assemble as a worshipping community and offer our sacrifice of praise to God, knowing that the Lord Jesus Himself is present in our midst. Certainly, our celebrations are smaller and more subdued, and we do have to keep our distance from others and be very careful to avoid spreading the virus. But the possibility of being in church and celebrating Mass together makes all of these sacrifices worthwhile! I hope that the unprecedented hiatus in public Masses for the last two and one-half months will give us a renewed appreciation for the communal celebration of the Mass. There is no substitute for the "live and in-person" experience of the Eucharistic Liturgy!

I want to congratulate all graduates of the Class of 2020, those graduating from St. Andrew School, those graduating from high school, whether Bishop Watterson, St. Charles, UAHS or other public or private schools, and also those graduating from college. Though we are unable this year to give you the public recognition that you deserve, nevertheless we offer you our congratulations and best wishes for the future.

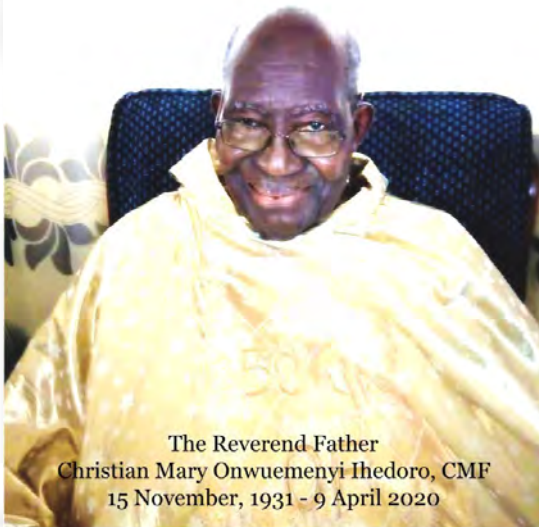

As we begin the Summer season, we are preparing for what is being called the "Summer that wasn't" because so many Summer events and celebrations have been canceled. Among the events that are canceled is "The Festival at St. Andrew," which would have taken place August 14-15. This year would have been the 20th Festival at St. Andrew, and a gala celebration was being planned to mark the anniversary. But it would have been foolish and irresponsible in light of the circumstances to proceed with the Festival while the Coronavirus is still a threat and mass gatherings are especially dangerous, and while the Sunday obligation of attending Mass continues to be dispensed. The cancellation of

many other Summer events, including the Ohio State Fair, indicates this was the right decision. Our Festival usually brings in around \$75,000 to St. Andrew Parish. But I am not going to fret over that. I know there are many people and families who are suffering because of unemployment, loss of income, and an uncertain future. These are the ones I worry about. Thanks to your loyal, ongoing and generous support, St. Andrew Parish is doing---O.K. We will survive even without festival income this year. The Festival Committee is preparing to return in 2021, saving their energy and enthusiasm to make Festival 2021 a better-than-ever 20th Festival at St. Andrew!

Have a Happy and safe Summer!

Your Pastor,

Magr. Stephan Moloney

EVERYDAY STEWARDSHIP

Recognize God in Your Ordinary Moments

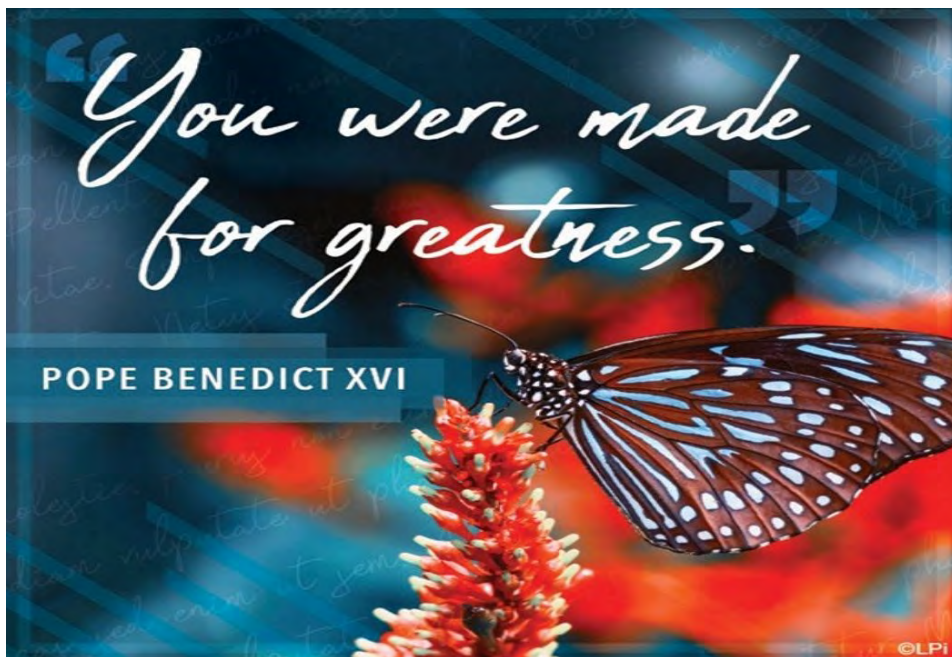

We Are Never Alone

My children want my help sometimes, and other times, not so much. I remember being a teenager and young adult myself. At times, I thought I knew everything. I didn't need help because I was just so darn smart. Truth is, I needed to find my own way. I needed to stretch my wings and prove to myself and my family I could fly. I assume that is what is happening with my own children as well. It just seems so different now that I'm the parent.

Human beings need help. We need community, and we need to rely on one another. At Pentecost, we reflect on Jesus sending to the Church a helper, the Holy Spirit. God interacting with us in this manner means we are never truly alone. We focus most of the time on the Spirit of God as the assistance we need, and we do need Him for sure. However, since it is that very same Spirit that turned us into "Church" from a band of people looking to carry on after Jesus' ascension, at Pentecost we gained more than divine help: we gained each other.

Today, the Church needs help in a profound way. We need to lean on the Holy Spirit to blow through the Church with a profound renewal. But we cannot forget that we have been given each other to lean on as well. We are a gift to each other, and together with the Spirit's help, we are the Body of Christ here on earth. We must be strong and stand for one another. If we do that, this Pentecost will bear fruit that will be with us for many Pentecosts to come.

— Tracy Earl Welliver, MTS

WHY DO WE DO THAT? Catholic Life Explained: *Tithing vs Stewardship?*

Question:

What is the difference between tithing and stewardship?

Answer:

Both tithing and stewardship are part of a spiritual way of life that calls us to use all of our resources for the service of the Gospel. Everything we are and everything we have comes from God. Offering back to God what He has given us is part of how we worship and give thanks to God.

Tithing is the practice of giving back 10 percent of what we earn. It comes from the Old English word for "ten." The first Scriptural example of tithing came from Abraham who gave a tenth of his possessions to the priest Melchizedek. He did so as an act of thanksgiving to God.

Stewardship as a way of life calls us to use well all that we have and all that we are, placing all things in service of others and God. Stewardship helps us see the good we can accomplish by making God and our spiritual life the most important values in our life. Whatever we accumulate in this life stays here. We can't take it with us! Both tithing and stewardship help us remember that nothing is mine or even ours ...all belongs to God.

GOSPEL MEDITATION

Encourage Deeper Understanding of Scripture

You can feel so small standing by the seashore. The vastness of all that is before you expands much farther than your eye can see. What is happening on the other side? As tides continue to ebb and flow, what occurs as they come and go remains largely a mystery and the effects of their presence unknown in your sight. Yet, things are moving and changing as you gaze upon the water, as the thumbprint of their presence is left behind. The greater the wind and wave, the greater the effect. But even a gentle breeze leaves its humble mark upon the seashore on which you stand. The smallest pebble still makes a ripple in the great blue expanse of ocean waters. It doesn't need to be big.

You never know the full impact of your smallest gesture or simplest of words. A yes or no, agree or disagree, here or there, this or that can influence time and history in ways you may never know. The Holy Spirit is like that: fierce and torrential, and then almost still and silent, creating and recreating nonetheless. Coming as a gentle breeze or a gusty wind, God's Holy Spirit continues to move over,

around, and into the waters of our lives. The Spirit brings fruit and unknown possibilities to what we humbly bring with us and that same Spirit eventually brings all to fulfillment in Christ.

The first disciples didn't have much. They possessed simple faith and a willingness to go into uncharted territory with a love of their friend-God, humble offerings, and a knowledge that they were not alone. This allowed them to do amazing things with very little. Do you believe that you are being led and that you have a purposeful life? We often do not realize our value because we do not think that the little we have is good enough. How wrong we are! A little flour mixed with water and embraced by a prayer of

blessing transforms simple offerings into the magnificent Eucharistic presence of God. If the Holy Spirit can do such amazing things with these humble gifts of the earth, even more can happen with you. Don't underestimate the value of the smile you gave a stranger, the door held open for an elderly widow, the listening ear offered to one who was lonely, the tolerance given to the wounded soul who is angry, and the loving shoulder you offered as a cradle under the head of someone in pain. Modest gifts offered with love can be transformed by the Spirit into wondrous blessings you may never know. It's Pentecost. Trust. You are not alone.

HOW TO WEAR A MASK

Keeping a distance (at least six feet) from other people is our best protection against COVID-19; however, wearing a facemask can add another layer of protection. Masks can help protect others by containing respiratory droplets when the mask wearer coughs, sneezes or speaks.

Wearing a cloth face covering does not replace social/physical distancing, practicing good hygiene, and staying home when sick. These are the most important steps to prevent the spread of COVID-19 illness and other illnesses.

Cloth face coverings should be changed when damp and washed and dried after each use. Coverings that have been worn may be contaminated.

- **Always wash your hands** before putting on a mask and after removing a mask.
- **Do not touch the front** of the face mask, especially when you take it off. Always use the loops or elastic.
- **Make sure your mask fits** tightly around your nose and face.
- **Change your mask frequently** when it becomes damp.
- **If you are using a reusable cloth mask**, always wash & dry your mask every day.
- **Wash your hands frequently, don't touch your face and stay home when you are ill.**

**Remember:
We're all
in this
together**

DON'T WEAR YOUR MASK UNDER YOUR NOSE.

DON'T PUSH YOUR MASK UNDER YOUR CHIN TO REST ON YOUR NECK.

DON'T WEAR YOUR MASK SO IT JUST COVERS THE TIP OF YOUR NOSE.

DON'T LEAVE YOUR CHIN EXPOSED.

DON'T WEAR YOUR MASK LOOSELY WITH GAPS ON THE SIDES.

DO: WEAR YOUR MASK SO IT COMES ALL THE WAY UP, CLOSE TO THE BRIDGE OF YOUR NOSE, AND ALL THE WAY DOWN UNDER YOUR CHIN. DO YOUR BEST TO TIGHTEN THE LOOPS OR TIES SO IT'S SNUG AROUND YOUR FACE, WITHOUT GAPS.
