## LETTER FROM THE PASTOR

Dear Parishioners:

One day about two weeks ago, I was doing some shopping errands. I was at a local store and purchased some masks, some hand sanitizer, and some dog food – essential pandemic supplies! While I was shopping, I noticed that the store was beginning to display Christmas items. Although it seemed early to be thinking about Christmas, the truth is, Christmas had already been on my mind for about six weeks. I have been thinking a lot about Christmas – in particular, how St. Andrew Parish will prepare for Christmas Masses while the COVID-19 threat persists. It is becoming increasingly evident to me that the Coronavirus will not be past and gone by Christmas. Rather, I predict that there will not yet be a vaccine widely available in December. I predict that social distancing, the wearing of masks, the use of sanitizer, and the disinfecting of surfaces before and after every Mass will still be required. I predict that the dispensation from the obligation to attend Mass will still be in effect at Christmas, and that those people in a higher risk category will still be strongly encouraged to avoid large crowds and discouraged from attending Church. I predict that the maximum number of people allowed in St. Andrew Church will still be 300, and that every other pew will still be closed to insure proper distancing. I predict that the doors of the church will still be standing open and that the temperature will be frigid. I predict that there will be very little of the traditional pageantry and ceremony we are accustomed to at any of our Christmas Masses: there will be no choir, no choristers, no fanfare, no choral program or carol singing, no incense, no blessing of the Christmas

crib – only simple Masses celebrated in the manner that has become the “new normal” on Sundays. I predict that these Masses will be livestreamed so they can be viewed at home. I predict that the Parish Hall will not be available to have a second Mass because that space will still be occupied by classrooms. And I am worried because Christmas Masses, especially vigil Masses, usually attract huge crowds that we can barely accommodate even when there are no restrictions. What will happen if 1,000 or more people show up for the 4:00 vigil Mass on Christmas Eve, and we only have room for 300? I am afraid there may be a riot!

I have shared my worries with other priests, with the Bishop, and with our Liturgy Committee. We have considered a variety of options – like requiring reservations and tickets, or having loudspeakers outside, or having an “overflow” area in the gym with another Mass. Before making any final decisions on how to prepare, the Liturgy Committee suggested taking a survey to find out what our parishioners would intend to do about attending Christmas Mass “in person” while the pandemic threat continues. Elsewhere in this bulletin today, you will find information about this survey. I really need everyone to respond to this survey and let me know your intentions regarding Christmas Mass attendance given all of the factors I predicted above. The survey is short and easy and the information you provide will be very helpful as we make decisions about our Christmas Vigil and Christmas Day Masses. Deadline for completing the survey is October 25. Thank You for responding to this survey. Stay tuned for further developments!

Your Pastor,  
Msgr. Stephan Moloney

**Thank you to the 377 families who have responded to the 2020 Bishop's Annual Appeal.**

These generous pledges total **\$197,518** towards our Diocesan goal of \$210,135. This means we are within 5% of our goal with only 18% of our Parishioners responding.

If you have not yet made your gift to this year's appeal, please prayerfully consider doing so in the days ahead. Pledge envelopes are available in the church main vestibule and NW entrance or you can go online to [www.columbuscatholicgiving.org/make-a-gift-now](http://www.columbuscatholicgiving.org/make-a-gift-now) and donate directly.

If you would like a pledge envelope mailed to you, please email Ann Whiteman at [awhiteman@standrewparish.cc](mailto:awhiteman@standrewparish.cc)

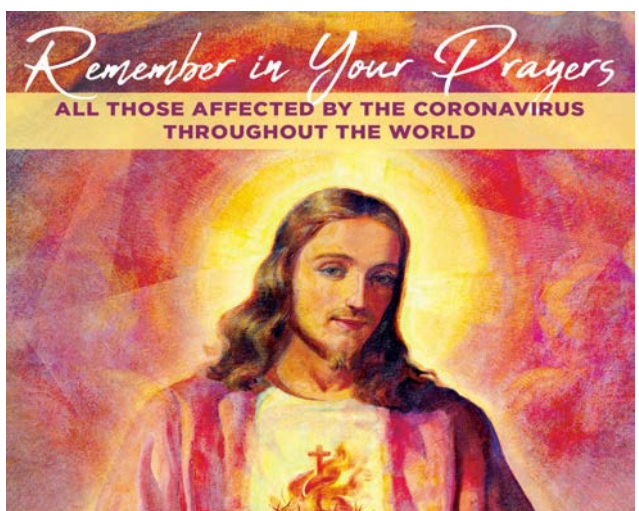

Gifts received over our goal will be returned to St. Andrew Parish and are not subject to the Diocesan Assessment. Thank you for your generosity.

## THOUGHTS FOR OUR PARISH CHILDREN

by "Jackie," Fr. Ferguson's Cat

Hi boys and girls! My name is "Jackie," and as you know, I am Father Ferguson's cat! Do you know what day tomorrow is? It is a special holiday called "Columbus Day"! This holiday is named for a fellow named Christopher Columbus! Have you ever heard of him? He was a sailor who sailed westward from Europe (a land far, far away) into the vast, unknown ocean. And after several weeks, he discovered the land where we now live: North America! He did that back in the year 1492. That's a long time ago! Actually, Columbus soon realized that he wasn't the only one here: there were already folks here who had discovered our land for many centuries: we call them "Native Americans." They were smart people, and they taught Columbus and the others from Europe things like how to grow corn. Can you imagine....people in Europe never had "corn on the cob" until then! Yum! And Columbus and many other Catholics who came from Europe shared with the Native Americans all the amazing things we know about Jesus, whom they had never heard about. Can you imagine, never knowing about Jesus? But some of the Native Americans really got excited about Jesus, like Saint Kateri Tekakwitha. She was a famous Native American girl who lived not far from where Father Ferguson grew up in the state of New York, back in the 1600's! Another important thing that Christopher Columbus and his followers did was to bring us cats to America. Before then, there were no cats in North America! How sad! I admire my cat ancestors who came over in those early ships: we cats don't like being around water nor being cooped up inside for weeks and weeks. But Columbus...and those first cats...paved the way for us being here today. What do you like about living here in America? Why not take a moment today and pray to God and thank Him for our country, for Jesus, and for corn on the cob! Stay holy, and have a "purr"-fect week!

## RESPONDING to the CALL

Do you remember a time when you spent much time or money on a surprise or gift for someone else and they failed to appreciate it? We do open ourselves up to disappointment if our expectations do not match the response. Perhaps we reached down deep to share a part of ourselves only to encounter apathy and insensitivity. That can hurt even if the person ignoring our gesture meant no ill will toward us.

What must God feel like when we fail to respond to what He has done for us. We probably do not purposefully slight God, but perhaps we are so busy and mindless that it becomes impossible to be responsive and mindful. We can miss the gift of God which is right before our eyes.

It is very difficult to be a good steward if we do not intentionally choose to be mindful. We miss the important stuff in life, and we neglect those placed in our path as gifts to enrich our lives. If we are to live as Jesus asks, we must work on focusing our eyes of faith on the things that matter and the gifts we have been given. If we are made in the image of God, I suppose we can guess how God might feel when His gifts are not acknowledged, or His love not returned. If I reflect on the One who loves me more than anyone, how can I choose to not offer my love in return?

# MEASURE UP

**Helping people with disabilities**

Join us in the "flagship" charity fundraiser for the Knights of Columbus "Measure Up." The campaign raises money to assist individuals with developmental disabilities, which raises more than \$360,000 for more than 322 local & statewide agencies who sponsor a variety of training & support programs.

St. Andrew K of C 11275 collected \$3800 last year! However, due to the pandemic, the campaign has decided to forgo the traditional street corner collection.

Your donations can be accepted through our PayPal account or by making a check payable to "St. Andrew Council 11275" with "Measure Up" in the memo line. Your checks can be mailed to the parish office or dropped in the offering basket at any weekend Mass. Just make sure to mark your envelope "K of C Measure Up". 80% of the money collected is returned to individual councils to donate to the agencies of their choice and the remaining 20% is donated to statewide programs, like Special Olympics. 100% of the proceeds

returned to St. Andrew will benefit S.P.I.C.E. (Special People in Catholic Education)! S.P.I.C.E. addresses a variety of St. Andrew student needs.

**The deadline is extended to October 17th .**

## **ST. ANDREW CHRISTMAS MASS SURVEY**

Dear Parishioners,

It's hard to believe that Fall is here, and we need to begin planning for the Christmas Masses. The Liturgy Committee is requesting your input to help determine the Christmas Mass schedule.

Assuming the COVID-19 pandemic restrictions are still in place with social distancing protocols, continued use of masks, and the obligation to attend Mass being dispensed, please complete the brief survey below to help us understand how many people may attend these Masses as we attempt to prepare the safest possible experience for all. This year's Christmas Masses will be celebrated in a simpler, yet dignified manner, missing some of the festive elements that we've come to expect, like choristers and choir.

**Please complete only one survey per family** and include as accurate a count of attendees as possible. You can complete this form and return it (see return options below) or visit [www.standrewparish.cc](http://www.standrewparish.cc) to complete the online survey (please do not complete both online and paper surveys).
