St. Andrew Church is a community of Catholics committed to serving God by living our faith. We exist to fulfill the mission of the Roman Catholic Church at the local level by continuing the saving work of Christ. We accomplish this through the celebration of the sacraments, proclaiming and living the Gospel, reaching out to others in justice and charity, and providing all parishioners abundant spiritual, educational, and social opportunities in order to be known as a faith-filled, engaged, and generous parish.

## MESSAGE FROM OUR PASTOR

Dear Parishioners:

I am sure all of you who came to St. Andrew for Mass last Sunday noticed the signs at the door saying "Please Wear a Mask." It is true that we are once again urging those who come to church to wear masks so as to slow the spread of the Coronavirus that has surged again due to the Delta variant. I wasn't able to let you know ahead of time that this was coming, and yet the great majority of those present quickly adjusted and complied. Thank you for your prompt response and cooperation! Because of the surge in the transmission of this virus and because the Delta variant is so contagious, it is highly recommended that all people, whether vaccinated or not (except those who are very young) should wear a mask when indoors where other people are gathered.

You may recall that back in August, I urged St. Andrew parishioners to heed this very recommendation, but I also stated that each individual bears the personal responsibility for doing so, and that I was reluctant to establish or enforce a mandate. That remains the case at present. The only difference is, I am making a stronger and more urgent appeal to "Please wear a mask." Maybe I should have said "Pretty please?" But it still isn't a mandate, nor do I wish to force anyone to violate their deeply-held beliefs. Nor do I plan to confront or challenge those who do not wear masks to church. But I will continue to urge those coming to church at St. Andrew to "please wear a mask" for as long as these recommendations are in place. I do thank you most sincerely for your cooperation.

I thank you also for your generous response to the special collection for the Haiti earthquake relief. We have already collected \$7,124 for this effort. That is tremendously helpful and means so much to those who are suffering. Now, other needs are occurring. Hurricane Ida caused terrible wind damage, flooding, widespread power outages, and general devastation, especially in Louisiana, but also in many other areas, even in the Northeast. In particular, the Diocese of Houma-Thibodaux was hit very hard. While we are not taking a special collection for this disaster, you are welcome and encouraged to make a donation, which will be forwarded to the Emergency Relief Fund of the National Conference of Catholic Bishops. You may place your donation in the regular collection in an envelope marked "Hurricane Ida," or you may send it to the parish office, or you can visit [www.catholiccharitiesht.org/ida](http://www.catholiccharitiesht.org/ida) for additional ways to help.

May God bless and protect you all and keep you safe and healthy!

Your Pastor,

Msgr. Stephan Moloney

## THOUGHTS FOR OUR PARISH CHILDREN

by "Jackie," Fr. Ferguson's Cat

Hi boys and girls! My name is "Jackie," and, as you know, I am Father Ferguson's cat! Do you know what this Wednesday is? It is officially the first day of the season of Autumn! That's right! The first day of Autumn is determined by the fact that it's the day when we have roughly the same hours of daylight and nighttime, as the days have been getting shorter, and the nights have been getting longer, since when summer began in June. All this occurs as a result of how the Earth keeps tilted as it revolves around the Sun during the year. It's a pretty clever way of how God designed the Earth, so that we could get different seasons. And different seasons help make plants grow so that you humans, and we animals, can have things to eat and stay alive. Plus, wouldn't it be boring if it were just the hot summer the whole year round?

The first day of Autumn is called the Autumn "Equinox"! (That's a good spelling word!) But after the Autumn Equinox, the days will keep getting shorter and shorter, and this will make the weather get cooler and cooler. So, the first day of Autumn is a good chance to make sure we are getting ready for the fall, and for the season that comes after Autumn, which is...wait, I forgot...that's right: Winter!

What are you going to do to get ready for Autumn and all the special events and cooler temperatures that will be coming? Think of all the special events of Autumn like All Saints' Day and Thanksgiving Day! And maybe now that you're a year older, you might need to ask your parents for a bigger coat and a new hat for the cooler weather to come. As a cat, I am going to spend Autumn growing more fur to keep me warm as it gets cooler, and hunting lots of mice and squirrels to stock up for winter food. Why not take a few moments today and pray to God, thanking Him for the changing of seasons, and asking Him for a great Autumn? Have a "purr"-fect week!

### RPRF REFLECTIONS: SEPTEMBER 19

#### THE GREATNESS OF FAITHFUL DETACHMENT

Today we see Jesus' disciples arguing among themselves about who is the greatest of them. Jesus patiently sits them down and teaches, "If anyone wishes to be first, he shall be the last of all and the servant of all." The beauty of what Jesus taught reminds us not to be too attached to physical things, ambitions, and worldly desires. One of the hallmarks of the saints is a wonderful detachment from such things, which served them very well as they lived their faith in the Real Presence of the Lord and embraced the Real Future He called them into. Today, let us be inspired to do the same!

To read more about how we are growing together in discipleship in the Diocese of Columbus, visit [www.RealPresenceRealFuture.org](http://www.RealPresenceRealFuture.org).

Forbes 2021 "Best-in-State Advisors"

Jim Hyre received the Forbes ranking of Best In-State Wealth Advisors, developed by SHOOK Research, and is based on an algorithm of qualitative criteria, mostly gained through telephone and in-person due diligence interviews, and quantitative data. Those advisors that are considered have a minimum of seven years of experience, and the algorithm weights factors like revenue trends, assets under management, compliance records, industry experience and those that encompass best practices in their practices and approach to working with clients. Portfolio performance is not a criteria due to varying client objectives and lack of audited data. Out of approximately 32,725 nominations, more than 5,000 firms made the cut. The ranking does not indicate an advisor's performance, it is not an endorsement, and may not be representative of all advisor experience.
