St. Andrew Church is a community of Catholics committed to serving God by living our faith. We exist to fulfill the mission of the Roman Catholic Church at the local level by continuing the saving work of Christ. We accomplish this through the celebration of the sacraments, proclaiming and living the Gospel, reaching out to others in justice and charity, and providing all parishioners abundant spiritual, educational, and social opportunities in order to be known as a faith-filled, engaged, and generous parish.

## MESSAGE FROM OUR PASTOR

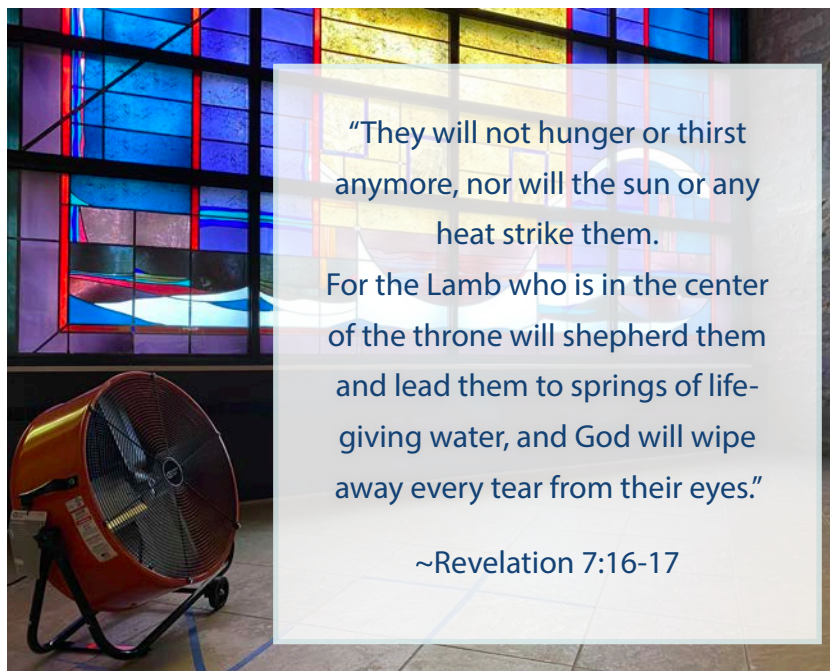

Dear Parishioners:

I'm afraid I have some bad news for you. The air conditioning in church is broken and cannot be repaired. You probably suspected something was wrong if you attended Mass here last weekend and found the church doors wide open, fans running, and yourself sweltering! You may have also noticed several other times in the last several months when the AC was not functioning. Each time we had expensive repairs done so that it worked well enough to cool the church for a while, but it was only a "band-aid" solution. We were advised that the system needs to be replaced. This most recent failure is the final straw. The "chiller" is now kaputt! We will be replacing the chiller, but that isn't something that can happen overnight. A new chiller will not be installed until probably Spring of 2022. Until then, there will be no air conditioning in the church or parish hall. So pray for cool weather! By the way, a new chiller has a price tag of around \$140,000. I am sure you all agree that this is a necessary expense!

May God bless you all, and keep you cool and comfortable.

Your Pastor,

Msgr. Stephan Moloney

"They will not hunger or thirst anymore, nor will the sun or any heat strike them.

For the Lamb who is in the center of the throne will shepherd them and lead them to springs of life-giving water, and God will wipe away every tear from their eyes."

~Revelation 7:16-17

## THOUGHTS FOR OUR PARISH CHILDREN

by "Jackie," Fr. Ferguson's Cat

Hi boys and girls! My name is "Jackie," and, as you know, I am Father Ferguson's cat! Do you remember what I've been sharing with you lately? It's called the "Theology of the Body." That's a big phrase which means, "your body is a special part of who you are, because you are a creation of God."

I meowed to you recently that as a human, you are a combination of a Soul and a Body. One reason why your body is so special is that it has so many parts which allow you to express fully what your soul wants to communicate. How many parts does your body have? There are so many. How many arms do you have? What can you do with your arms? Give hugs? Hold a baseball bat or hit a volleyball? How many legs do you have? And what are you able to do with your legs? Jump around for joy when you open a favorite present? Run quickly to your mom or dad after you get home from school?

How many eyes do you have? What do your eyes allow you to do? Maybe see a beautiful sunset, or how about read your favorite book about cats? What about your ears? What do they let you do? Hear your parents tell you "We love you?" Or listen to a funny story by your best friend?

How many other parts of your body can you think of? Isn't it amazing that your body allows you to do so many things, which you would not be able to do, if you did not have a body! God wanted you to have a body so that you can fully express your soul. Your body is really important. In fact, it's so much a part of who you are as a Person, that you ARE your body! You can't ignore your body. The body is so important that even God came into this world in a body...that's who Jesus is! Next time, we'll look at all the things Jesus was able to do with HIS BODY! Why not take a moment and pray to God, thanking Him for giving you a Body to express the movements of your Soul?

Now, as for my "cat body," I am feeling the need to express myself to Father Ferguson by stretching, jumping into his lap, and purring loudly so he knows how much I love him! Gotta go! Have a "purr"-fect week!

## NEW THIS YEAR — SAINT-O-LANTERNS!

We need YOUR help with this fun project: decorating the front of the Parish Office for fall. We are asking parishioners to carve pumpkins that represent a specific saint and place them by the brick wall in front of the parish office. If you want to represent St. Andrew, you could carve an X-shaped cross, a fish, or brothers. Be creative and have fun! For more information, contact [jwenzke@standrewparish.cc](mailto:jwenzke@standrewparish.cc)

### RPRF REFLECTIONS: OCTOBER 17

#### SERVING BY LETTING GO

The apostles today are thinking about heaven but misapplying earthly logic. Like the Apostles, we too can crave places of honor and earthly things. But with God, we need to let go of these, especially as we plan for the future of our diocese. God, infinite source of love and dignity, is fully present to those who turn to Him, so to be His servants in this life. Serving God offers far more dignity than efforts to be earthly kings. We experience this dignity with the Real Presence in the Eucharist, through which, even with the tiniest fragments, we receive the full Body, Blood, Soul and Divinity of Christ.

Forbes 2021 "Best-in-State Advisors"

Jim Hyre received the Forbes ranking of Best-In-State Wealth Advisors, developed by SHOOK Research, and is based on an algorithm of qualitative criteria, mostly gained through telephone and in-person due diligence interviews, and quantitative data. Those advisors that are considered have a minimum of seven years of experience, and the algorithm weights factors like revenue trends, assets under management, compliance records, industry experience and those that encompass best practices in their practices and approach to working with clients. Portfolio performance is not a criteria due to varying client objectives and lack of audited data. Out of approximately 32,725 nominations, more than 5,000 advisors received the award. This ranking is not indicative of an advisor's future performance, is not an endorsement, and may not be representative of individual clients' experience.
