St. Andrew Church is a community of Catholics committed to serving God by living our faith. We exist to fulfill the mission of the Roman Catholic Church at the local level by continuing the saving work of Christ. We accomplish this through the celebration of the sacraments, proclaiming and living the Gospel, reaching out to others in justice and charity, and providing all parishioners abundant spiritual, educational, and social opportunities in order to be known as a faith-filled, engaged, and generous parish.

## ST. FRANCIS DE SALES

St. Francis de Sales was born to a noble family at Chateau de Sales in the Kingdom of Savoy near Geneva, Switzerland on August 21, 1567. He was a Bishop and Doctor of the Church.

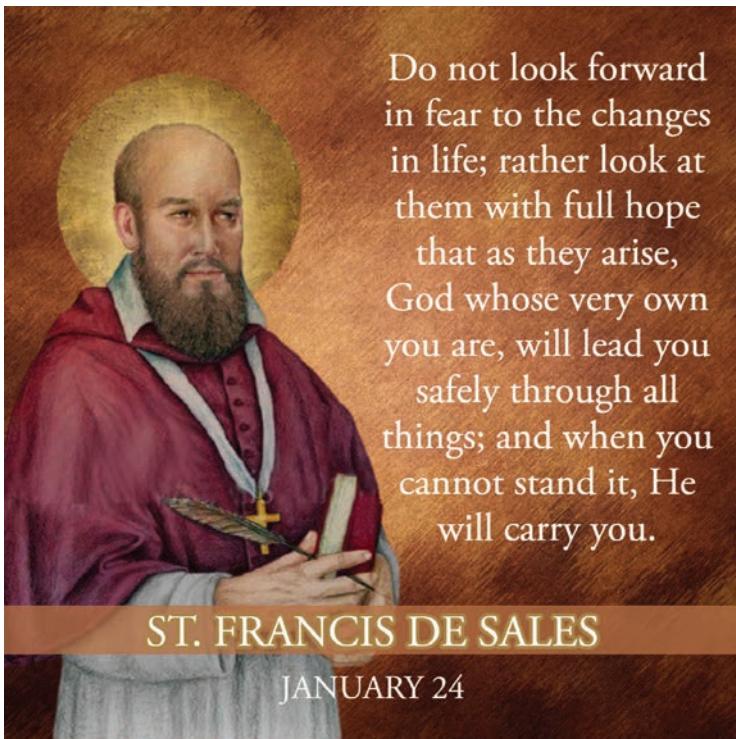

Francis was both intelligent and gentle. From a very early age, he desired to serve God. He knew for years he had a vocation to the priesthood, but kept it from his family. His father wanted him to enter a career in law and politics.

In 1580, Francis attended the University of Paris, and at 24-years-old, he received his doctorate in law at the University of Padua.

All the time, he never lost his passion for God. He studied theology and practiced mental prayers, but kept quiet about his devotion. To please his father, he also studied fencing and riding.

God made his will clear to Francis one day while he was riding. Francis fell from his horse three times that day. Every time he fell, the sword came out of the scabbard, and every time it came out, the sword and scabbard came to rest on the ground in the shape of the Christian cross.

After much discussion and disagreement from his father, Francis was ordained to the priesthood and elected provost of the Diocese of Geneva, in 1593, by the Bishop of Geneva.

Adorers may stay as briefly or as long as they would like. Come spend time in the presence of the Lord. Nowhere on earth are you more welcomed or loved than in Eucharistic Adoration. Adoration will end with Compline (end of day prayers), followed by Benediction, beginning at 8:45 p.m.

Forbes 2021 "Best-in-State Advisors"

Jim Hyre received the Forbes ranking of Best In-State Wealth Advisor, developed by SHOOK Research, and is based on an algorithm of qualitative criteria, mostly gained through telephone and in-person due diligence interviews, and quantitative data. Those advisors that are considered have a minimum of seven years of experience, and the algorithm weights factors like revenue trends, assets under management, compliance records, industry experience and those that encompass best practices in their practices and approach to working with clients. Portfolio performance is not a criteria due to varying client objectives and lack of audited data. Out of approximately 32,725 nominations, more than 5,000 advisors were ranked. The ranking does not indicate an advisor's future performance. It is not an endorsement of an advisor's services. Raymond James is not affiliated with Forbes or SHOOK Research.
