St. Andrew Church is a community of Catholics committed to serving God by living our faith. We exist to fulfill the mission of the Roman Catholic Church at the local level by continuing the saving work of Christ. We accomplish this through the celebration of the sacraments, proclaiming and living the Gospel, reaching out to others in justice and charity, and providing all parishioners abundant spiritual, educational, and social opportunities in order to be known as a faith-filled, engaged, and generous parish.

MESSAGE FROM OUR PASTOR

Dear Parishioners:

Happy Catholic Schools Week! That's right – this week is a special observance in our diocese and elsewhere which honors and celebrates our Catholic schools! I am very proud of St. Andrew Catholic School; I am proud of our students, faculty, staff parents, and families. Our Catholic schools exist to educate and form children in the Catholic faith.

Our Catholic schools, therefore, are a primary tool and means of evangelization. Our Catholic schools must also provide superior academic instruction in addition to formation in the faith. And St. Andrew School does exactly this! I am pleased to support our parishioners who enroll their children in St. Andrew School or our Catholic high schools, namely Bishop Watterson High School and St. Charles Preparatory School. Participating parishioners receive a discounted tuition rate for their children enrolled at St. Andrew School, and the parish also provides a subsidy to the diocesan high schools for each of our parishioners from participating families attending these institutions.

We also have funds available for tuition assistance to help families who may struggle to afford the tuition to send their children to Catholic schools. These funds derive from fundraising activities and from donations from individuals who are grateful for the Catholic education they received and want to help those in the present generation have the same advantage.

Our Catholic schools continue the tradition of excellence even in these days of ongoing pandemic restrictions and protocols. I am proud of our school community for successfully furthering the process of education and Christian formation for our students while also managing the important safety issues and requirements for dealing with the COVID-19 threat.

I invite all of you to celebrate and appreciate our Catholic schools and all they contribute to our parish community and the mission of the Church. And once again, I wish all of you a Happy Catholic Schools Week!

Your Pastor,
Msgr. Stephan Moloney

THOUGHTS FOR OUR PARISH CHILDREN

by "Jackie," Fr. Ferguson's Cat

Hi boys and girls! My name is "Jackie," and, as you know, I am Father Ferguson's cat! Have you ever had to make a tough decision to choose the right thing, and to avoid doing the wrong thing, even though it would feel so tempting to do the wrong thing? We've all faced that moment...many times. Perhaps in your life as a young cat...errrr...as a young human, you've faced choices like: "Do I hit my little brother, or do I try to play nice with him?" Or, "Do I lie to my parents when I break something, or do I tell them the truth?"

It would be tempting to hit one's brother when he gets annoying, or to lie to one's parents for fear of getting into trouble. But making the right choice, in the long run, makes us a better person. Playing nice with an annoying sibling, or being honest with our parents when we've made a mistake, makes us more holy, like Jesus, St. Mary, and all the saints. And because of that, it helps us to be more happy and more at peace.

As a cat, I know. I had a similar tough choice to make earlier today. I was outside hunting, as we cats do, for unsuspecting prey. I had already caught a couple of mice and a squirrel, when I came up behind a groundhog...and not just any groundhog, but the most famous groundhog of all: "Phil"! You know who I mean: the groundhog who comes up out of his hole every February 2 (Groundhog Day) to tell us how much longer winter will last. Well, when I saw Phil in front of me (he was sprucing up his hole to make it look nice for all the news reporters coming by this Wednesday), I had a choice to make: "Do I pounce on Phil and make him a tasty meal for me tonight, or do I show mercy on him and let him live?" I was tempted. Groundhogs do taste good, but then I thought of all the children in the world who would not be able to see Phil come out of his hole every year, if I ate him for dinner. I prayed to Jesus to give me the strength to make the right choice. So, you'll be happy to know that I turned around and left Phil alone! And you know what, boys and girls? Making that good choice has brought me a lot of happiness and peace!

What tough choices do you sometimes face? Why not take a few moments today and ask Jesus to help you to make good choices that help you to be more holy and happy? Have a "purr"-fect week!

Forbes 2021 "Best-in-State Advisors"

Jim Hyre received the Forbes ranking of Best-In-State Wealth Advisors, developed by SHOOK Research, and is based on an algorithm of qualitative criteria, mostly gained through telephone and in-person due diligence interviews, and quantitative data. Those advisors that are considered have a minimum of seven years of experience, and the algorithm weights factors like revenue trends, assets under management, compliance records, industry experience and those that encompass best practices in their practices and approach to working with clients. Portfolio performance is not a criteria due to varying client objectives and lack of audited data. Out of approximately 32,725 nominations, more than 5,000 advisors received the award. This ranking is not indicative of an advisor's future performance, is not an endorsement, and may not be representative of individual client's experience.
