For the People of St. Andrew Parish

St. Andrew Church is a community of Catholics committed to serving God by living our faith. We exist to fulfill the mission of the Roman Catholic Church at the local level by continuing the saving work of Christ. We accomplish this through the celebration of the sacraments, proclaiming and living the Gospel, reaching out to others in justice and charity, and providing all parishioners abundant spiritual, educational, and social opportunities in order to be known as a faith-filled, engaged, and generous parish.

MESSAGE FROM THE PASTOR

Dear Parishioners,

My mother once told me about her grandmother "Bessie." She lived on a farm outside of Minster, Ohio. As a girl, my mother visited Bessie in the summer. This would have been in the late 1920s and 1930s. Bessie was deaf and although a staunch Catholic, Bessie had been taught she had an obligation to "hear" Mass every Sunday. She reasoned that because she couldn't hear, she was therefore excused from attending Mass. I think we can all see the error in this reasoning, but Bessie was very sincere in her belief. There is much more to participating in the Holy Sacrifice of the Mass than just "hearing" it.

Of course, it is important to be able to hear the spoken word at Mass. This is not always easy at St. Andrew Church, which is a large, resonant space prone to echoing. The public address system does not perform very well in this acoustic environment, and in addition, there are "dead spots" in the church. To help more people "hear" Mass, St. Andrew has a Hearing Loop installed. This was installed several years ago but was out of order for a period. Now it is working again and everyone who has a hearing aid equipped with a T-coil can take advantage of it.

The hearing loop picks up what is spoken with the microphone right through the listener's hearing aid so every word can be heard. This means that those who have difficulty hearing the Mass can now hear everything that is said when they are all present in church for Mass.

Of course, there is more to participating in the Mass than just hearing what is said. The assembly at church is not just an "audience" that passively listens and hears. They are the Assembly of the Faithful, the priestly people who offer a sacrifice of praise to God the Father and partake of the Sacrament of Christ's Body. So even if you are deaf, like Bessie, there are still many powerful reasons to participate in Sunday Mass!

This week, we begin the latter part of Lent known as "Passiontide." Let us unite all our sufferings to those of Christ, who suffer the pains of the cross to free us from our sins.

Your Pastor,
Msgr. Stephan Moloney

THOUGHTS FOR OUR PARISH CHILDREN

by "Jackie," Fr. Ferguson's Cat

Hi boys and girls! My name is "Jackie," and as you know, I am Father Ferguson's cat. You know what? This past Friday was April Fool's Day! That's right! It's a chance every year to play a friendly trick on someone for good humor. Jesus wants us to have fun – He had lots of friends growing up in Nazareth, too, when he was a child the same age as you, and no doubt He liked to kid around with them and play jokes with them just like you do with your friends. But as we have fun with others, we should be careful not to be mean with our humor.

I learned this lesson the hard way. On Friday morning, to get ready for April Fool's Day, I decided to put some of my dry cat food into Father Ferguson's cereal box. But then, when he started to eat a bowl, it didn't take long before it became apparent that he was not happy.

That's why I'm writing this column while grounded inside my cat carrier! Oh well...I guess some people just don't appreciate feline humor! Maybe next year, I need to think more carefully about what kind of humor I show around others! Did you do anything fun with your friends on April Fool's Day? Why not take a few moments today and thank Jesus for the gift of friends and the good times and humor we can experience with them? Have a "purr"-fect week!

Your feedback is an important part of this, and we want to hear your thoughts on strengths, weaknesses, challenges, opportunities and alternatives to the draft models. Please take this opportunity to view the draft models and to fill out the accompanying survey by June 30.

Real Presence Real Future

The second round of Draft Models is here! Thank you to the 5,300 parishioners who participated and to the 2,600 of you who provided feedback through the online survey. That doesn't include the numerous e-mails and written letters that we received, which show us how much you are truly engaged in this important work.

The feedback we heard from the Fall Consultation Sessions greatly helped us understand where parishes might be grouped together and what some of your greatest concerns were.

Your feedback has been gathered and is shown in the video presentations for this second round of draft models. ***Please go to realpresencerealfuture.org to watch the planning group video where your parish is located.***

You will hear answers to 4 Big Questions that came from the Fall:

- Wasn't this about Evangelization?
- Our parish is fine, why do we need to change?
- What do these changes actually mean?
- What is the timeline for all of this?

Clarity about what mergers and collaborations might mean as well as some recent statistics concerning sacramental participation, October Mass Counts and next steps are made clear in the Round Two Video Presentations.

One of these models will be applied to every parish in the Diocese of Columbus. With diverse geography, ethnic groups and populations in our diocese one size does not fit all. Watch the Planning Group Video for your parish to find out what the second round draft models show for your area.

MODEL A

- Traditional model
- Can be created by a merger of parishes and the closure of some churches
- One parish may merge into the other or two or more can merge and create a new parish

MODEL B

- Single parish but will have multiple worship sites
- Created by a merger of parishes
- One parish may merge into the other or two or more can merge and create a new parish

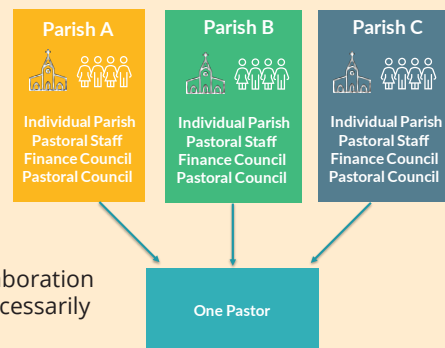

MODEL C

- One pastor for all parishes in the collaborative
- Each parish remains a separate entity with its own church, but shared vision is created for all parishes in collaborative
- One Pastoral council but separate finance councils for each parish
- Common staff and shared ministry across the collaborative.
- Establish service agreements for shared clergy/ staffing/ ministry costs

MODEL D

- One pastor is responsible for multiple parishes
- The parishes are separate entities and each offer a full-range of ministries
- May lead to greater levels of collaboration between the parishes, but not necessarily
- We are **NOT** recommending this model.

Six Elements of Missionary Disciple Formation

As we continue the RPRF initiatives, we must not lose sight of Missionary Disciple Formation.

In Matthew 28:19-20 Jesus tells the disciples, "Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything that I have commanded you. And remember, I am with you always, to the end of the age."

The formation of missionary disciples is the heart of evangelization in the Diocese of Columbus. The following six elements are a crucial part of forming and being mature Catholic Missionary Disciples.

.....

Kerygmatic Encounter

A kerygmatic encounter is the essential first step of the missionary disciple journey. While we encounter Jesus in many ways, most especially in the Eucharist, the kerygmatic encounter is a unique type of encounter in which one comes to know Jesus in their lives while being presented with the gospel message. Essential to this experience, is the opportunity to personally respond in conversion, repentance, and surrender to Christ.

Ongoing Spiritual Formation in the Sacraments and Prayer

The disciple continues to encounter Christ in the Mass, other sacraments, and daily prayer. This work of formation in prayer and sacramental living is ongoing.

Missional Training

Having encountered Christ and responded, a disciple's life is moved into a new direction. Formation, or training in how to evangelize is essential after the kerygmatic encounter.

Discipleship Small Groups/Community

Living as missionary disciples requires the support of fellow disciples. Community is a necessary part of disciple formation.

Ongoing Catechesis

Catechesis is the echoing or handing on of the Truths of the Faith. Thorough catechesis is necessary for complete and mature disciple formation.

Ongoing Scriptural Study

Missionary disciples need to continue to grow in their love and understanding of Sacred Scripture.

the
RESCUE
project LIVE!
with Fr. John Riccardo

The Rescue Project with Fr. Riccardo from ACTs XXIX will be a Kerygmatic encounter, the first step of Missionary Disciple Formation.

The Ohio Expo center is prepared to host 5000 people for this amazing event. Plan to attend and bring someone who has never heard the gospel message or who may need to hear it again in this unique way.
