## MESSAGE FROM THE PASTOR

Dear Parishioners,

This past week we have witnessed the devastation caused by Hurricane Ian, especially in Florida and extending to the Atlantic coastal states of Georgia, the Carolinas and Virginia. Cuba also was affected. Before that, Hurricane Fiona caused great damage in the Caribbean, especially Puerto Rico. Meanwhile, we were experiencing beautiful cool fall weather here. This reminds us how powerful and how fickle nature is.

I have received numerous inquiries asking if St. Andrew Parish would be responding to the great need for assistance in the areas devastated by these destructive storms. I am sure that all of us know people – family, friends, associates – who have been directly affected by the storms and the accompanying destruction and even loss of life. To help the victims of Hurricane Ian and other recent natural disasters, Bishop Fernandes has requested a special collection be taken to support Catholic Charities USA, which is already busy supplying relief aid in the devastated region. At St. Andrew Parish, I have designated the weekend of October 15-16 for this special collection, which will be taken up at all the weekend Masses. I know already that you will be generous, because I know that you are eager to help those who have suffered such great losses.

I have called upon your generosity many times and you, the parishioners of St. Andrew, have never failed me. So please be prepared to contribute to this important collection next weekend.

May God bless you and reward you for your care and concern.

Your Pastor,

Msgr. Stephan Moloney

## STEWARDSHIP IS A WAY OF LIFE

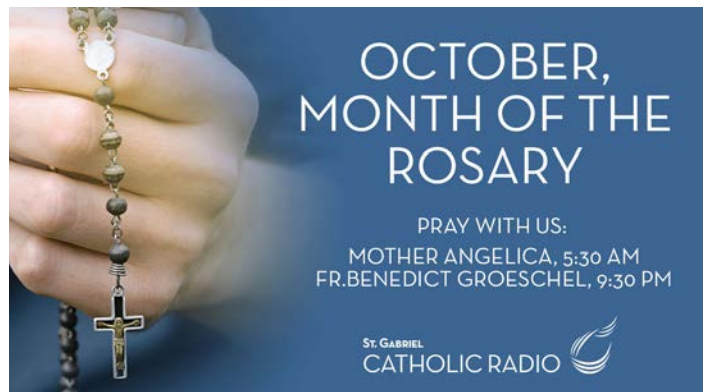

Stewardship is a simple idea and intended to be a way of life. What we have, we do not own. We are simply the caretakers, which makes it easier to see our responsibility to cultivate, multiply and distribute what we have. God's stewards are called to share their time, talent and treasure for the good of others. One way to answer His call is through planned giving.

A planned gift is intended to be used in the future. It's a commitment made during your lifetime that can support organizations like St. Andrew Parish when you no longer need your assets. Along with current benefits, like tax advantages, planned giving allows you to make your intentions known (usually through financial or estate planning) today and when God calls you home.

Along with providing for your children and loved ones, have you considered a planned gift to St. Andrew Parish? To start a conversation, please contact Christy Steffy at The Catholic Foundation, 614-443-8893, ext. 110, or [csteffy@catholic-foundation.org](mailto:csteffy@catholic-foundation.org).

**CALLING ALL KNITTERS AND CROCHETERS:** You are invited to our upcoming meeting, **Monday, Oct. 17, 6:30-8:00 p.m. in Nugent Parish Hall.**

We have needleworkers of all levels, so bring your knitting needles (size 7 or 8) and crochet hooks (size G or H) and join the fun of socializing and being productive as we make things for those in need. We will provide easy patterns. For more information, call Marilyn at 614-315-7320.

## THOUGHTS FOR OUR PARISH CHILDREN

by "Jackie," Fr. Ferguson's Cat

Hi boys and girls! My name is "Jackie," and as you know, I am Father Ferguson's cat. It's hard to believe that we are already in the month of October. That's right! As Catholics, one of the things we call October is "Respect Life Month." That means we spend the entire month of October raising awareness about how special and holy all life is, especially the lives of you humans!

God made you humans in His image and likeness, which means that you humans share more things with God than any other part of creation. That's right! Like God, you humans can do things like using your brain to think, using your "free will" to choose right over wrong, and using your heart to love others no matter what.

Because each human is so much like God, every human person has what we call "dignity." That means each one of you is special, just because you are a human. And it's important to remind everyone in society that everyone has dignity. That's true no matter how small and tiny someone is (even when you were in your mother's womb before you were born); or how old you are (even old people in nursing homes who can't do as many things anymore still have dignity); or how many challenges you have (that includes everyone who has a handicap or serious illness).

As a cat, I wish I were a human like you! You are the most special part of all God's creation. That's why we cats like to curl up in the laps of you humans instead of, say, giraffes! So, this Respect Life Month, think of something you can do to share with our society the message that every human is special! Have a "purr"-fect week!

## Why God is calling His Church to a Eucharistic Revival?

The Bishops of the United States have initiated a three-year grassroots revival of devotion and belief in the Real Presence of Jesus in the Eucharist, which kicked off on the Solemnity of Corpus Christi 2022. The three years will culminate in the 2024 National Eucharistic Congress, the first in the United States in almost fifty years.

**St. Andrew Parish is honored to welcome Tim Glemkowski**, the newly appointed executive director of the 2024 National Eucharistic Congress. We encourage **all parishioners and guests to join us** in November when Mr. Glemkowski will share his unique insights surrounding this significant national revival intended to unify and strengthen the Church.

Light Refreshments and desserts will be available for those who attend.
